

Student Podcast Challenge

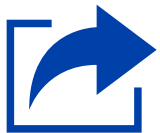

Open to local 6-12 students
Submit by 6/30/21

A podcast is a recording of an audio discussion on a specific topic that can be listened to. Podcast styles include interviews, conversations, news reporting, or storytelling.

We're challenging students to write and work with sounds — interviews, narration and recorded sounds from the world around you.

write and work with
and recorded sounds from

Write, record, and share your podcast for us to review! Your podcast should be between 3 and 8 minutes and may be selected and for feature on WSKG!

Submission form, details, and additional resources available at wskg.org/education
