

# My Fractured Fairy Tale

Written By: Cameron Weisbrod

Title: THE THREE LITTLE PIGS STRIKE BACK

Based On: The Three Little Pigs

Once upon a time in 1987 pig#2, pig #3, and I were sunbathing in Hawaii.

And a wolf walked by and it just so happened to be the same wolf that tried to eat us a few days earlier, Mr.Wolf.

"Hang on a sec." I thought. "That's the wolf that tried to eat us." And I shouted "Come on gang."

And before Mr.Wolf knew what was happening he was running and we were right on his tail.

"Now I wasn't running as fast as I could, Mr.Wolf is just a LAZY runner."

Anyhoo, Mr.Wolf was desperately trying to come up with a plan to escape, like there was a boat, but it

just left! And he had a car, but what good would that do him when he was stuck in the middle of the ocean?

"PING" Went Mr.wolf's brain.

Mr.Wolf climbed up a palm tree and the tree bent backwards.

"CREEK" Sang the tree.

And the tree sling-shot him all the way to New York city onto the statue of liberty's crown and he was never seen again... By the pigs. And me, pig#2, and pig#3 lived happily ever after. But it wasn't the same for the three little birds. **THE END.**

P.S. There were three bird nests on the crown. One made out of hay, one made out of sticks, and one made out of bricks. And Mr.Wolf was hungry. Huff Huff Huff!

P.P.S. Huff Huff Huff is how Mr.Wolf says "Dun Dun Da."
