

# **Howls in the Night**

***"Mush!"***

**I'm on the trail.**

**I never want to quit.**

**There are green pine trees  
surrounding my friends.**

**Smells of night are all around me.**

**And we will never stop.**

**I'm getting kind of hungry,**

**But I must not quit.**

**Because I love to run.**

**I hear the swooshing sled.**

**I'm thinking about eating delicious  
salmon.**

**I see the blinking stars.**

**It's time to go home.**

**My friends and I are not yet tired,  
but we had a fun day.**

**I hope we go again.**
