

I'm From

I'm from a white and green striped house,
Big trees everywhere,
And a small river flowing by the side of my living room.
I'm from spicy noodles and boiled eggs,
Pink doughnuts and lots of sprinkles,
And very sweet, orange Thai tea.
I'm from racing car games on TV,
Playing with pet snakes around my neck,
And wrestling with my brother Roy.
I'm from "We're hungry!"
"Hey Chicken Wing."
And "Bye Mommy."
I'm from Ithaca, New York and New Jersey.
